1. Full payment must be made by May 1st, 2010.
2. Phone, email or mail in your preferred session confirmations as soon as you know them and no later than May 1st, 2010.

Hidden Bay "Unplugged"

Hidden Bay is joining the growing movement in camping to provide an "unplugged" environment, where campers can enjoy the natural environment and develop relationships with other campers and staff, instead of worrying about the loss or damage of electronics. Please leave camera, cell phones, Ipods, etc. at home. You can look forward to receiving a CD with camp pictures taken by our staff!

HBLC Gear Clothing

This summer, along with your confirmation letter, you will receive a HBLC Gear order form. You will be able to choose from a selection of t-shirts, hoodies, hats, waterbottles and other items. These items will then be available at camp when your camper arrives. Our stock of clothing at camp will be limited, so in order to get the items and sizes you want, make sure you take advantage of the order form.

Tuck

In an effort to reduce the need to bring cash to camp, tuck is now included with your registration. Each camper will be given Tuck Bucks during Tuck times to spend as they please, so you no longer need to send money with your camper!

Session

Overnight Cook-Outs

Every camper participating in our 9-and-13 day sessions will now have the option to participate in an overnight cook-out! Cabin groups will spend the evening away from their cabins, learning exciting campcraft skills, cooking over a fire and sleeping at a separate campsite close to camp!

Waterbottles

Please ensure that your camper brings a reusable water bottle to camp or purchases one using the HBLC Gear order form before camp. It is essential that our community is drinking plenty of water from their own bottles during our hot summers!

Code of Behaviour

Our philosophy clearly states that our goal for each child is to help him/her become a responsible, independent, productive, happy, problem-solving person. Our Code of Behaviour requires staff, children, parents and others to be courteous, responsible and respectful at all times.

Bunk Mate Request

Hidden Bay will make every effort to accommodate one mutual request per participant. Bunk mate requests are regularly fulfilled, however due to varying camper numbers and age-groups, we cannot always ensure this happens.

Damage, Loss and Theft

All camp property is inspected upon arrival and departure. Any vandalism by campers will be charged to the parents.

Pre-camp preparation

Prior to camp you will receive a pre-camp package full of information on what to bring and what not to bring to camp, more transportation details, arrival and departure times, information on medications, directions and HBLC Gear order form.
